

# Debbie Diller's Summer Institute in Houston

Debbie Diller lives in Houston, TX and has been an educator for 34 years. She is passionate about meeting the needs of *all* students through engaging instruction in whole group, guided support in small group instruction, and independent practice at work stations—in both literacy and numeracy!

Debbie is the author of four best-selling books on literacy work stations, classroom organization, and small group instruction from Stenhouse Publishers. Her newest book, *Math Work Stations for K-2* will be released this fall.

Join Debbie to hear brand-new presentations filled with organizational tips, research-based ideas, and practical, realistic information you can put into practice immediately!

- \* Use what you already have in your classroom to *engage* students in meaningful independent practice
- \* Connect state standards to add *rigor* to literacy stations and small group instruction

K-2 Teachers Will Learn How To...

- \* Establish, manage, and maintain meaningful *math* and literacy stations
- \* Plan for and accelerate student learning by connecting reading *and writing* instruction to literacy stations and small groups

## Site-Based Training Available!

**Would you like to have Debbie or one of her associates come to your school or district to work with your teachers?**

Debbie offers a wide variety of training options that will meet the needs of your campus, including on-site modeling and coaching of lessons, classroom makeovers, and customized school or district visits.

If you are interested in more information, please visit our website at [www.debbiediller.com](http://www.debbiediller.com).

## What did people say about last summer's institute with Debbie?

"I really enjoyed your message and love your books and ideas. I can't wait for school to start and to redo some things in my room. Thanks so much for the great information!"

"Your work is amazing... a true gift. We are THRILLED to have this chance to learn with you!"

"Thanks so much for the humor, love of what you do, and sharing that with us. Know that we now have more tools in our teaching toolbox and can't wait to get back to school."

"I LOVED your workshop! I want school to start now. Can't wait to set up my room and get organized."

"I just wanted to tell you that I love your work. I am starting my 3<sup>rd</sup> year as a first grade teacher, and I am using your work stations model. You have answered so many of my questions. I am even more excited to start teaching this year than I was my 1<sup>st</sup>!"

"I think you are an awesome author, have a great sense of humor, and are doing amazing things for education. I am a first year teacher and was feeling overwhelmed with the idea of centers. I feel that I now have a guide and a plan to set up literacy stations. Thank you so much!"

"After 19 years of teaching, my dream has come true—your book *Spaces & Places*. I have been to several of your workshops and get new ideas every time I am with you. Teachers should always keep growing and trying new ideas."
